# OVERVIEW

The all-new 2019 Audi A7 builds on the heritage and success of the first generation, featuring a more precise, modern exterior and interior, as well as the next generation of lighting innovations and available driver assistance systems from Audi.

## Design

- ▶ The all-new A7 offers the best of three worlds – the spaciousness of a sedan, versatility of a sportback, and the emotional design of a coupe.
- ▶ The signature silhouette of the A7 is defined by the sloping roofline, gives the vehicle its unique character. This **award-winning sportback silhouette** helps improve usability by enabling easier access to the spacious cargo area.
- ▶ Inside, the orientation of the interior is strongly angled towards the driver, creating a **driver-centric cockpit**.
- ▶ A three-dimensional architectural design around the MMI® touch response system offers drivers and passengers a **sense of tranquility** inside the cabin.

## Technology

- ▶ New for 2019, the five-door coupe delivers impressive technology such as the brand's all-new **MMI touch response® system**<sup>9</sup>, which replaces the rotary dial and the conventional buttons and controls of the previous model with two large, high-resolution touch displays. Featuring both haptic and acoustic feedback, users can hear and feel a click as confirmation when their finger triggers a function.
- ▶ The upper 10.1-inch display (8.8-inch on Premium models) controls the infotainment and the lower 8.6-inch display is used for climate control, comfort and convenience functions and for natural handwriting input with whole-word recognition.
- ▶ Other key technology features include available second generation **Audi virtual cockpit** with a 12.3-inch display that offers high definition resolution of 1920 x 720 pixels; available Audi phone box<sup>13</sup> that's designed to charge the compatible phones inductively; and available **full-color head-up display** that projects relevant driving information in the driver's field of vision.<sup>9</sup>

## Lighting

- ▶ The all-new A7 is a testament to the leading role Audi plays in lighting technology and design. **Three headlight systems** are available for the 2019 model year: LED headlights with LED daytime running lights (standard on Premium), HD Matrix-design LED headlights with LED daytime running lights and dynamic front turn indicators (standard on Premium plus) or HD Matrix-design LED headlights with Audi laser light and LED daytime running lights and dynamic front turn indicators (standard on Prestige).
- ▶ The A7 is standard equipped with **LED taillights with dynamic rear turn signals**, which mirror the digital light signature at the front of the vehicle.

## Powertrain and performance

- ▶ Powerful and efficient, the A7 is equipped with a **3.0-liter TFSI® V6 engine**, which produces more torque compared to the outgoing A7, due to the addition of a turbocharger.
- ▶ The 3.0 TFSI® engine, coupled with a **seven-speed S tronic® dual-clutch automatic transmission**, produces 335 horsepower and 369 lb-ft of torque at a range of 1,370-4,500 rpm, and can sprint from 0-60 mph in 5.2 seconds.<sup>2</sup>
- ▶ The S tronic transmission transfers power to a **quattro® drive with ultra® technology** that allows for intelligent, proactive control of the all-wheel drive system to help predictively modify the torque application as the driver demands or the road conditions require.
- ▶ Another first for the 2019 model year, all A7 models will come standard equipped with 48-volt **Mild Hybrid Electric Vehicle (MHEV) technology**.
- ▶ For 2019, the newly developed standard steel front and rear suspension for the A7 model line allows for both a sporty driving experience and more comfortable ride for long distances.

## KEY SPECIFICATIONS

Starting MSRP <sup>5</sup>	\$68,000
Engine	3.0-liter TFSI® V6
Transmission	Seven-speed S tronic® dual-clutch automatic transmission and quattro® with ultra® technology
Horsepower @ rpm	335 @ 5,000–6,400
Torque (lb-ft @ rpm)	369 @ 1,370–4,500
quattro® Tiptronic® (0-60 mph) <sup>6</sup>	5.2 seconds
Top track speed (mph) <sup>7</sup>	130
Curb weight (lb)	4,332
EPA estimated MPG (city/highway/combined) <sup>5,8</sup>	22/29/25

# TECHNICAL SPECIFICATIONS

## Engineering/Performance

Engine Type	3.0-liter TFSI® V6
Bore (in)	3.33
Stroke (in)	3.50
Displacement (cu in)	182.77
Compression ratio	11.2:1
Horsepower @ rpm	335 @ 5,000–6,400
Torque @ rpm (lb-ft)	369 @ 1,370–4,500
Induction/Fuel injection	Turbocharged/TFSI
Acceleration (0-60 mph) <sup>6</sup>	5.2
Top track speed (mph, electronically limited) <sup>3,7</sup>	130

## Engine Design

Cylinder Block	Aluminum-alloy
Cylinder Head	Aluminum-alloy
Valvetrain/intake	24-valve DOHC with Audi valvelift system and variable valve timing

## Steering

Type	Electromechanical speed sensitive power steering Optional dynamic all-wheel steering
Ratio	12.2:1
Turning diameter, curb-to-curb (ft)	36.4

### EPA mileage estimates and Capacities<sup>8</sup>

Tiptronic® automatic transmission with quattro® all-wheel drive (city/highway/combined)	22/29/25
Engine oil (qt)	8.0
Coolant system (gal)	2.7
Fuel (gal)	19.3
Minimum fuel grade required	Premium

### Exterior Measurements

Wheelbase (in)	115.2
Length (in)	195.6
Height (in)	56.0
Width (in) without mirrors	75.1
Width (in) with mirrors	83.4
Track front/rear (in)	65.0/64.4
Curb weight (lb)	4,332
Drag Coefficient	0.28

### Interior Measurements

Head room w/ sunroof – front (in)	37.0
Head room with sunroof – rear (in)	37.1
Leg room – front (in)	41.3
Leg room- rear (in)	37.0
Shoulder room – front (in)	57.2
Shoulder room – rear (in)	55.9
Luggage capacity (cu feet)	24.9
Seating capacity	5

## Body /Suspension/Chassis

3.0-liter TFSI® turbocharged V6 engine (335 hp/369 lb-ft)	S
48-volt Mild Hybrid Electric Vehicle (MHEV) technology with recuperation	S
Start-stop engine system	S
Seven-speed S tronic dual-clutch automatic transmission	S
quattro with ultra® technology	S
Sport suspension (20mm drop)	O
Adaptive damping suspension	O
Front and rear five-link independent suspension	S
Electromechanical progressive steering system	S
Dynamic all-wheel steering	O
13.3" ventilated front disc/13.0" ventilated rear disc brakes	S
Electromechanical parking brake	S
Tool kit and car jack located in trunk compartment	S
Space-saving spare tire (substituted with tire mobility kit when equipped with Bang & Olufsen 3D Advanced Sound System)	S

## Wheels and Tires<sup>9</sup>

19" 10-Y-spoke design wheels with 245/45 R19 low-profile all-season tires	S
20" five-double-V-spoke design silver wheels with 255/40 R20 all-season tires	O
21" five-V-spoke-star design contrast gray polished wheels with 255/35 R21 summer tires	O

## Infotainment/Technology<sup>1</sup>

Audi virtual cockpit (12.3" LCD fully digital instrument cluster with 1,920 x 720 pixel resolution)	O
MMI® Navigation plus with natural voice control system <sup>2</sup>	S
Limited-time subscription to Audi connect CARE assistance and security services <sup>10</sup>	S
Six-month trial subscription to Audi connect PRIME and Audi connect PLUS online services <sup>11</sup>	S
Audi smartphone interface including Apple CarPlay® and Google™ Android Auto for compatible devices <sup>3</sup>	S
Audi Sound System with 10 speakers, 6-channel amplifier and 180 watts	S
Bang & Olufsen 3D Premium Sound System with 16 speakers, 15-channel amplifier and 705 watts	O
Bang & Olufsen 3D Advanced Sound System with 19 speakers, 19-channel BeoCore amplifier and ICE power amplifiers and 1,820 watts	O
HD Radio Technology	S
SiriusXM Satellite Radio with 90-Day Trial <sup>12</sup>	S
Audi music interface with front USB ports for data/charting and two USB ports for charging	S
BLUETOOTH Wireless technology	S
Audi phone box (signal booster and Qi wireless charging) <sup>13</sup>	O
MMI touch response with dual-center displays (8.8-inch upper and 8.6-inch lower) and haptic feedback <sup>9</sup>	S
MMI touch response with dual-center displays (10.1-inch upper and 8.6-inch lower) and haptic feedback <sup>9</sup>	O

## Driver Assistance systems<sup>4</sup>

Audi advanced key <sup>6</sup>	S
Rain/light sensor for automatic wipers and headlights	S
High-beam assistant	0
Cruise control with coast, resume and accelerate features	S
Audi pre sense basic and city	S
Audi side assist with rear cross traffic assist, Audi pre sense rear and vehicle exit warning	0
Parking system plus with front and rear acoustic sensors	S
Adaptive cruise control with Traffic Jam assist	0
Audi active lane assist	0
Traffic sign recognition	0
Head-up display with navigation	0
Night vision assistant with pedestrian and large animal detection	0
Intersection assist	0
Top view camera with Virtual 360 view	0

## Warranty and maintenance<sup>14</sup>

Audi New Vehicle Limited Warranty	4-Year or 50,000 miles 12-month or 10,000 miles (Whichever occurs first) No Charge first scheduled maintenance

# ABOUT AUDI OF AMERICA

Audi of America, Inc. and its U.S. dealers offer a full line of German-engineered luxury vehicles. AUDI AG is among the most successful luxury automotive brands, delivering about 1.878 million vehicles globally in 2017. In the U.S., Audi of America sold nearly 227,000 vehicles in 2017 and broke all-time company sales records for the eighth straight year. Visit [audiusa.com](http://audiusa.com) or [media.audiusa.com](http://media.audiusa.com) for more information regarding Audi vehicles and business topics.

“Audi,” “TFSI,” “quattro,” “e-tron,” “S tronic,” “Audi connect,” “MMI,” “Singleframe,” “FSI,” the four rings logo and all model names are registered trademarks of AUDI AG. All other trademarks are the property of their respective owners.

<sup>1</sup>Always pay careful attention to the road, and do not drive while distracted. See Owner’s Manual for further details, and important limitations

<sup>2</sup>Audi Navigation plus depends on signals from the worldwide Global Positioning Satellite network. The vehicle's electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes in locating addresses, destinations and other points of interest. Changes in street names, construction zones, traffic flow, points of interest and other road system changes are beyond the control of Audi of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested Audi navigation plus route.

<sup>3</sup>Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. These features require compatible device, operating system, and mobile apps. See mobile device and app providers for terms and privacy. “Android, Android Auto, Google Play, and other marks are trademarks of Google Inc. “Apple CarPlay” is a trademark of Apple Inc.

<sup>4</sup>Driver Assistance features are not substitutes for attentive driving. See Owner’s Manual for further details, and important limitations.

<sup>5</sup>Prices listed are the Manufacturer’s Suggested Retail Prices and do not include destination and delivery (\$975), taxes, title, options, and dealer charges. Dealer sets actual price.

<sup>6</sup> Always obey all local speed and traffic laws.

<sup>7</sup>Top track speed electronically limited in U.S. Always obey all speed and traffic laws.

<sup>8</sup>2019 EPA estimates not available at time of printing. See [www.fueleconomy.gov](http://www.fueleconomy.gov) for updated information. Actual mileage will vary and depends on several factors including driving habits and vehicle condition.

<sup>9</sup>Tires are supplied and warranted by their manufacturer. Summer High-performance tires are designed for optimum performance and handling in warm climates. They are not suitable for cold, snowy, or icy weather conditions. If you drive under those circumstances, you should equip your vehicle with all-season or winter tires, which offer better traction under those conditions. We suggest you use the recommended winter or all-season tire specified for your car or its equivalent. These high-performance tires also may have a lower aspect ratio that aids performance and handling; however, in order to avoid tire, rim, or vehicle damage, it is important that the inflation pressure is regularly checked and maintained at optimum levels. Please also remember in making your selection that, while these tires deliver responsive handling, they may ride less comfortably and make more noise than other choices. Finally, these tires may wear more quickly than other choices.

<sup>10</sup>Always pay careful attention to the road, and do not drive while distracted. Audi connect should only be used when it is safe and appropriate. Audi connect services and features are optional, provided with the support of authorized affiliated and third party service providers, and may require additional subscriptions with separate

terms and conditions. The Wi-Fi hotspot feature is intended for passenger use only. 4G LTE coverage is not available in all areas. See materials provided by wireless carrier for terms, privacy, data security details. Returning devices connect automatically and use plan data unless hotspot is removed from device settings. Available on select models. Certain services collect location information, see Terms of Service for information about how to disable and for other details. Google Earth features will not be available after December 2020 for Model Year 2018 & prior vehicles. Google Earth is a trademark of Google Inc. Connect services are subject to technologies remaining commercially available, such services are not guaranteed, and may not be available after 2021 for equipped MY17-20 vehicles.

<sup>11</sup>Connect PRIME services are optional, may require an additional subscription with separate terms and conditions, and should be used only when it is safe and appropriate. Trial or paid subscription required. Connect PRIME services require vehicle cellular connectivity and availability of vehicle GPS signal; certain services collect location information, see Terms of Service for information about how to disable. Online services are subject to change at any time. Google Earth features will not be available after December 2020 for Model Year 2018 & older vehicles. Google Earth is a trademark of Google Inc. See Terms of Service, Privacy Policy, and other details at: <https://www.audiusa.com/privacy> and <https://www.audiusa.com/technology/intelligence/audi-connect/connect-terms>

Wi-Fi hotspot feature is intended for passenger use only. 4G LTE coverage is not available in all areas. Connect PLUS features and technologies are optional, may require an additional subscription with separate terms and conditions, and should be used only when it is safe and appropriate. See materials provided by wireless carrier for terms, privacy, data security details. Returning devices connect automatically and use plan data unless hotspot is removed from device settings.

<sup>12</sup>SiriusXM® Satellite Radio subscriptions sold separately or as a package after trial expires. Subscriptions are governed by SiriusXM® Customer Agreement (see [www.siriusxm.com](http://www.siriusxm.com)) and are continuous until you call SiriusXM® to cancel. Sirius U.S. Satellite Service available only to those 18 and older in the 48 contiguous U.S.A., D.C and Puerto Rico (with coverage limitations).

<sup>13</sup>Requires compatible smart device.

<sup>14</sup>See dealer or owner's literature for details.
