amanda.koons@audi.com

OVERVIEW

More versatile than ever before, the all-new A6 delivers the latest in innovative technologies including advanced infotainment and digital solutions, and a better driving experience through improved comfort and handling – making the new A6 noticeably more dynamic than its predecessor.

Technology

- ▶ The **all-new MMI touch response**[®] replaces the rotary dial and the conventional buttons and controls of the previous model with two large, high-resolution touch displays that function in an intuitive manner, much like a smartphone.
- ▶ New for this year, **MMI search** is based on free text input and natural voice control. Drivers can speak requests such as, “I’m cold,” to which the A6 will respond, “What temperature would you like to set the cabin to?”
- ▶ Launching later this year, the **new myAudi app** will offer A6 owners access to more digital services through their compatible smartphone, including myAudi Navigation. This time-saving function becomes a personal mobility manager, where a route can be started on a smartphone, continued in the on-board system upon entering the vehicle and then passed back to the smartphone to guide the occupant to their next destination – by foot or public transport.
- ▶ Additional available technology features include **Audi virtual cockpit, Audi phone box, full-color head-up display, Audi smartphone interface** and **Bang & Olufsen 3D Advanced Sound System**.

Design

- ▶ As with the all-new 2019 A8 and A7, the A6 is an expression of the new design language introduced by Audi with the **prologue study**. The A6 sedan’s Singleframe grille is wider and lower than its predecessor and its large, side air inlets underscore the vehicle’s sporty character.
- ▶ The A6 is standard equipped with **LED headlights with taillights and dynamic rear turn signals**. New for 2019, the A6 features a unique taillight design that continues the horizontal architecture from the front of the vehicle.

Performance, Chassis and Suspension

- ▶ The A6 features a newly developed 3.0-liter TFSI[®] V6 engine, which compared to its predecessor, **delivers more power and weighs 30 pounds less**.
- ▶ New for 2019, the A6 comes standard equipped with **Mild Hybrid Electric Vehicle (MHEV) technology**. The 48-volt system compact enough to be stored under the rear cargo floor.
- ▶ The A6 sedan is also noticeably more dynamic than the outgoing model, due to **innovative suspension solutions**. The body of the A6 uses a mix of lightweight aluminum and high-strength steel to create a higher torsional rigidity than the previous model.

Driver Assistance

- ▶ The new A6 offers a comprehensive suite of standard and available driver assistance systems. All of these systems benefit from a zFAS central driver assistance controller, which obtains information from up to 24 cameras and sensors, and creates a digital picture of the A6’s environment to help compare, evaluate and derive strategies for the driver assistance systems.
- ▶ Available **Adaptive Cruise Assist (ACA)**, is a “hands-on” system that helps the driver with acceleration and braking, maintaining speed and following distance, and with lane tracking over a speed range of 0-95 mph and during traffic jam situations.
- ▶ Standard **Audi pre sense city** helps detect vehicles, pedestrians and cyclists in the vehicle’s path, at speeds of up to 52 mph and can initiate braking when a potential collision is detected.
- ▶ Other features include: available top view camera system with **Virtual 360° view**, available **intersection assist** and **turn assist**, available **traffic sign recognition**, **Audi pre sense rear**, **vehicle exit warning** (as part of Audi side assist) and **rear cross traffic assist** (as part of Audi side assist.).

KEY SPECIFICATIONS

Starting MSRP ⁵	\$58,900
Engine	3.0-liter TFSI® V6
Transmission	Seven-speed S tronic® dual-clutch automatic transmission and quattro® with ultra® technology
Horsepower @ rpm	335 @ 5,000–6,400
Torque (lb-ft @ rpm)	369 @ 1,370–4,500
quattro® Tiptronic® (0-60 mph) ⁶	5.1 seconds
Top track speed (mph) ⁷	130
Curb weight (lb)	4,266
EPA estimated MPG (city/highway/combined) ^{4,8}	22/29/25

TECHNICAL SPECIFICATIONS

Engineering/Performance

Engine Type	3.0-liter TFSI® V6
Bore (in)	3.33
Stroke (in)	3.50
Displacement (cu in)	182.77
Compression ratio	11.2:1
Horsepower @ rpm	335 @ 5,000–6,400
Torque @ rpm (lb-ft)	369 @ 1,370–4,500
Induction/Fuel injection	Turbocharged/TFSI
Acceleration (0-60 mph) ⁶	5.1
Top track speed (mph, electronically limited) ^{3,7}	130

Engine Design

Cylinder Block	Aluminum-alloy
Cylinder Head	Aluminum-alloy
Valvetrain/intake	24-valve DOHC with Audi valvelift system and variable valve timing

Steering

Type	Electromechanical speed sensitive power steering Optional dynamic all-wheel steering
Ratio	12.1:1
Turning diameter, curb-to-curb (ft)	36.4

EPA mileage estimates and Capacities⁸

Tiptronic® automatic transmission with quattro® all-wheel drive (city/highway/combined)	22/29/25
Engine oil (qt)	8.0
Coolant system (gal)	2.7
Fuel (gal)	19.3
Minimum fuel grade required	Premium

Exterior Measurements

Wheelbase (in)	115.1
Length (in)	194.4
Height (in)	57.4
Width (in) without mirrors	74.3
Width (in) with mirrors	83.1
Track front/rear (in)	64.2/63.7
Curb weight (lb)	4,266
Drag Coefficient	0.29

Interior Measurements

Head room w/ sunroof – front (in)	38.0
Head room w/ sunroof – rear (in)	38.1
Leg room – front (in)	41.3
Leg room- rear (in)	37.4
Shoulder room – front (in)	57.8
Shoulder room – rear (in)	56.5
Luggage capacity (cu feet)	13.7
Seating capacity	5

Drivetrain/Suspension/Chassis

3.0-liter TFSI® turbocharged V6 engine (335 hp/369 lb-ft)	S
48-volt Mild Hybrid Electric Vehicle (MHEV) technology with recuperation	S
Start-stop engine system	S
Seven-speed S tronic dual-clutch automatic transmission	S
quattro with ultra® technology	S
Sport suspension (20mm drop)	O
Adaptive damping suspension	O
Front and rear five-link independent suspension	S
Electromechanical progressive steering system	S
Dynamic all-wheel steering	O
13.3" ventilated front disc/13.0" ventilated rear disc brakes	S
Electromechanical parking brake	S
Lightweight technology—multi-material construction	S
Tool kit and car jack located in trunk compartment	S
Space-saving spare tire (substituted with tire mobility kit when equipped with Bang & Olufsen 3D Advanced Sound System)	S

Wheels and Tires⁹

19" 5-double-spoke bi-color design with 245/45 R19 all-season tires	S
20" 5-V-spoke bi-color wheels with 255/40 R20 all-season tires	O
21" 10-Y-spoke design silver wheels with 255/35 R21 summer tires	O

Infotainment/Technology¹

Audi virtual cockpit (12.3" LCD fully digital instrument cluster with 1,920 x 720 pixel resolution)	O
MMI® Navigation plus with natural voice control system ²	O
Limited-time subscription to Audi connect CARE assistance and security services ¹⁰	S
Six-month trial subscription to Audi connect PRIME and Audi connect PLUS online services ¹¹	S
Audi smartphone interface including Apple CarPlay® and Google™ Android Auto ³	S
Audi Sound System with 10 speakers, 6-channel amplifier and 180 watts	S
Bang & Olufsen 3D Premium Sound System with 16 speakers, 15-channel amplifier and 705 watts	O
Bang & Olufsen 3D Advanced Sound System with 19 speakers, 19-channel BeoCore amplifier and ICE power amplifiers and 1,820 watts	O
HD Radio Technology	S
SiriusXM Satellite Radio with 90-Day Trial ¹²	S
Audi music interface with front USB ports for data/charting and two USB ports for charging	S
BLUETOOTH Wireless technology	S
Audi phone box (signal booster and Qi wireless charging) ¹³	O
MMI touch response with dual-center displays (8.8-inch upper and 8.6-inch lower) and haptic feedback	S
MMI touch response with dual-center displays (10.1-inch upper and 8.6-inch lower) and haptic feedback	O

Driver Assistance⁴

Audi advanced key	0
Rain/light sensor for automatic wipers and headlights	S
High-beam assistant	0
Cruise control with coast, resume and accelerate features	S
Audi pre sense basic and city	S
Audi side assist with rear cross traffic assist, Audi pre sense rear and vehicle exit warning	0
Parking system plus with front and rear acoustic sensors	S
Adaptive cruise control with Traffic Jam assist	0
Audi active lane assist	0
Traffic sign recognition	0
Head-up display with navigation	0
Night vision assistant with pedestrian and large animal detection	0
Intersection assist	0
Top view camera with Virtual 360 view	0

Warranty and maintenance¹⁴

Audi New Vehicle Limited Warranty	4-Year/50,000 mile 12-month/10,000 mile (Whichever occurs first) No Charge first scheduled maintenance

ABOUT AUDI OF AMERICA

Audi of America, Inc. and its U.S. dealers offer a full line of German-engineered luxury vehicles. AUDI AG is among the most successful luxury automotive brands, delivering about 1.878 million vehicles globally in 2017. In the U.S., Audi of America sold nearly 227,000 vehicles in 2017 and broke all-time company sales records for the eighth straight year. Visit audiusa.com or media.audiusa.com for more information regarding Audi vehicles and business topics.

“Audi,” “TFSI,” “quattro,” “e-tron,” “S tronic,” “Audi connect,” “MMI,” “Singleframe,” “FSI,” the four rings logo and all model names are registered trademarks of AUDI AG. All other trademarks are the property of their respective owners.

¹Always pay careful attention to the road, and do not drive while distracted. See Owner’s Manual for further details, and important limitations

²Audi Navigation plus depends on signals from the worldwide Global Positioning Satellite network. The vehicle's electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes in locating addresses, destinations and other points of interest. Changes in street names, construction zones, traffic flow, points of interest and other road system changes are beyond the control of Audi of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested Audi navigation plus route.

³Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. These features require compatible device, operating system, and mobile apps. See mobile device and app providers for terms and privacy. “Android, Android Auto, Google Play, and other marks are trademarks of Google Inc. “Apple CarPlay” is a trademark of Apple Inc.

⁴Driver Assistance features are not substitutes for attentive driving. See Owner’s Manual for further details, and important limitations.

⁵Prices listed are the Manufacturer’s Suggested Retail Prices and do not include destination and delivery (\$975), taxes, title, options, and dealer charges. Dealer sets actual price.

⁶ Always obey all local speed and traffic laws.

⁷Top track speed electronically limited in U.S. Always obey all speed and traffic laws.

⁸2019 EPA estimates not available at time of printing. See www.fueleconomy.gov for updated information. Actual mileage will vary and depends on several factors including driving habits and vehicle condition.

⁹Tires are supplied and warranted by their manufacturer. Summer High-performance tires are designed for optimum performance and handling in warm climates. They are not suitable for cold, snowy, or icy weather conditions. If you drive under those circumstances, you should equip your vehicle with all-season or winter tires, which offer better traction under those conditions. We suggest you use the recommended winter or all-season tire specified for your car or its equivalent. These high-performance tires also may have a lower aspect ratio that aids performance and handling; however, in order to avoid tire, rim, or vehicle damage, it is important that the inflation pressure is regularly checked and maintained at optimum levels. Please also remember in making your selection that, while these tires deliver responsive handling, they may ride less comfortably and make more noise than other choices. Finally, these tires may wear more quickly than other choices.

¹⁰Always pay careful attention to the road, and do not drive while distracted. Audi connect should only be used when it is safe and appropriate. Audi connect services and features are optional, provided with the support of authorized affiliated and third party service providers, and may require additional subscriptions with separate terms and conditions. The Wi-Fi hotspot feature is intended for passenger use only. 4G LTE coverage is not available in all areas. See materials provided by wireless carrier for terms, privacy, data security details. Returning devices connect automatically and use plan data unless hotspot is removed from device settings. Available on select models. Certain services collect location information, see Terms of Service for information about how to disable and for other details. Google Earth features will not be available after December 2020 for Model Year 2018 & prior vehicles. Google Earth is a trademark of Google Inc. Connect services are subject to technologies remaining commercially available, such services are not guaranteed, and may not be available after 2021 for equipped MY17-20 vehicles.

¹¹Connect PRIME services are optional, may require an additional subscription with separate terms and conditions, and should be used only when it is safe and appropriate. Trial or paid subscription required. Connect PRIME services require vehicle cellular connectivity and availability of vehicle GPS signal; certain services collect location information, see Terms of Service for information about how to disable. Online services are subject to change at any time. Google Earth features will not be available after December 2020 for Model Year 2018 & older vehicles. Google Earth is a trademark of Google Inc. See Terms of Service, Privacy Policy, and other details at: <https://www.audiusa.com/privacy> and <https://www.audiusa.com/technology/intelligence/audi-connect/connect-terms>

Wi-Fi hotspot feature is intended for passenger use only. 4G LTE coverage is not available in all areas. Connect PLUS features and technologies are optional, may require an additional subscription with separate terms and conditions, and should be used only when it is safe and appropriate. See materials provided by wireless carrier for terms, privacy, data security details. Returning devices connect automatically and use plan data unless hotspot is removed from device settings.

¹²SiriusXM® Satellite Radio subscriptions sold separately or as a package after trial expires. Subscriptions are governed by SiriusXM® Customer Agreement (see www.siriusxm.com) and are continuous until you call SiriusXM® to cancel. Sirius U.S. Satellite Service available only to those 18 and older in the 48 contiguous U.S.A., D.C and Puerto Rico (with coverage limitations).

¹³Requires compatible smart device.

¹⁴See dealer or owner's literature for details.
