

2017 **A5 Sport/S5**

Audi of America

MEDIA INFORMATION KIT

OVERVIEW

Highlights:

- ▶ A5 Sport and S5 offered as coupes or open-air Cabriolet models.
- ▶ The 2017 A5 Sport Coupe are available with two transmissions: six-speed manual or eight-speed Tiptronic® automatic with quattro® all-wheel drive.
- ▶ The 2017 S5 Coupe with 3.0 TFSI® engine is also available with two transmissions: six-speed manual or seven-speed S tronic® automatic with quattro all-wheel drive.
- ▶ The available technology package includes Audi Connect® (with six-month trial subscription) which offers in-vehicle Wi-Fi for up to eight passenger devices and Google Earth™ Mapping, MMI Navigation plus, and Audi side assist which uses radar to help assist the driver when changing lanes by providing visual warnings in the exterior side mirrors when a vehicle is approaching from the rear.
- ▶ Available rear quattro® sport differential and Audi adaptive damping suspension on S5 models (Coupe and Cabriolet) help enhance vehicle driving dynamics.

Lineup Changes for 2017 Include:

- ▶ The A5 Sport Coupe and Cabriolet models now feature standard S line® competition plus exterior elements including enlarged front air intakes and a pronounced body-colored rear lip spoiler. The S line competition plus exterior also adds S line fender badges, gloss black side sill blades and aluminum door sills with S line badging.
- ▶ Also added to the A5 model line for 2017 is an optional Convenience package, offering heated front seats with driver memory, Audi advanced key and auto-dimming exterior mirrors.
- ▶ Available Black optic package on the A5 Sport Coupe models now includes 19" Audi Sport® 10-spoke-Y design gloss black finish wheels and gloss black exterior mirror housings and grille surround.
- ▶ A three-spoke multifunction flat-bottom sport steering wheel with shift paddles (for models equipped with Tiptronic® transmission) is now standard on A5 Sport Coupe and Cabriolet models.
- ▶ All A5 Sport models will come standard equipped with front and rear acoustic parking sensors, and a rear view camera is available with the Technology package. On S5 models, parking system with rear view camera and rear acoustic sensors is also available with the Technology package.
- ▶ Available Black Optic package on S5 Coupe models now includes 19" Audi Sport 5-arm-rotor-design titanium wheels and a high gloss black exterior package with body-colored side mirrors. Also available is a Black optic plus package which includes 20" Audi Sport 7-double-spoke design gloss black wheels and gloss black exterior side mirrors.

9.0" x 20" Audi Sport® 7-double-spoke design Gloss Black-finish 265/30 R20 summer performance tires*	—	□

*Tires are supplied and warranted by their manufacturer. High-performance tires are designed for optimum performance and handling in warm climates. They are not suitable for cold, snowy, or icy weather conditions. If you drive under those circumstances, you should equip your vehicle with all-season or winter tires, which offer better traction under those conditions. We suggest you use the recommended winter or all-season tire specified for your car or its equivalent. These high-performance tires also have a lower aspect ratio that aids performance and handling; however, in order to avoid tire, rim, or vehicle damage, it is important that the inflation pressure is regularly checked and maintained at optimum levels. Please also remember in making your selection that, while these tires deliver responsive handling, they may ride less comfortably and make more noise than other choices. Finally, these tires may wear more quickly than other choices.
